#Figures may not add up to total due to rounding.

Note 1: According to the Stamp Duty Ordinance, a chargeable agreement for sale / conveyance on sale should be stamped within 30 days after execution. The figures in the table above for a particular month may include transactions which took place in previous month and thus may not fully reflect the market situation of that particular month.

Note 2: The Government introduced the New Residential Stamp Duty (NRSD) on 4 November 2016 to increase the AVD rate for residential property transactions to a flat rate of 15% with effect from 5 November 2016. To implement the measure, the

Government has introduced the Stamp Duty (Amendment) Bill 2017 (Amendment Bill) into the Legislative Council (LegCo). The number of cases shown for November 2016 and afterwards may include cases which are subject to NRSD. Nevertheless, since the Amendment Bill has not yet been passed by LegCo, the amounts of stamp duty shown in the above table only reflect AVD collected at the existing Scale 1 rates (i.e. DSD rates but not NRSD rate of 15%). The Inland Revenue Department will record all the residential property transactions between 5 November 2016 and the date on which the Stamp Duty Amendment Ordinance (after passage of the Amendment Bill) is published in the Gazette, which have been stamped with AVD at the existing Scale 1 rates. Demand notes for the payment of additional stamp duty will be issued to the duty payers after the gazettal of the Stamp Duty Amendment Ordinance.
