Added Benefits

File your Tax Return - Individuals through the Internet and enjoy:

- Automatic extension of 1 month for filing;
- Pre-filling of data* including income amount details*, if applicable, to save your time in completing the tax return;
- Saving of partially completed return for further completion within 4 months; and
- Computation of your estimated Salaries Tax payable# before submission to help you optimize total tax payable.

Available for the tax return for the year of assessment 2024/25 only.
* Dependent on when the Employer's Returns are filed.

Simple Criteria

An eTAX Account holder who is required to file a tax return for 2022/23, 2023/24 or 2024/25 can file through the Internet if he / she in that year of assessment

- does not claim exemption in respect of part or all of his / her salaries income;
- does not own any sole proprietorship business with gross income of more than \$2,000,000;
- does not have any deemed assessable profits pursuant to section 20AE, 20AF, 20AX and/or 20AY of the Inland Revenue Ordinance;
- has not obtained an advance ruling on any of his / her tax matter in relation to that year; and
- does not claim any double taxation relief pursuant to an arrangement specified under section 49(1) or 49(1A) of the Inland Revenue Ordinance in relation to that year.
