Tax-help Services for Completion of Tax Returns

On the IRD Homepage, e-Seminars are provided for employers, property owners and individual taxpayers. Information on how to complete tax returns, fulfill tax obligations and overcome difficulties in compliance are uploaded to the website. After reading the information, taxpayers can raise enquiries electronically at the "Q&A Column". The Department will reply the questions on a regular basis.

The Department issued 2.05 million Individuals Tax Returns for the year of assessment 2010-11 on 3 May 2011. To cope with taxpayers' enquiries during the peak season for tax filing, the Department extended the service hours for answering telephone enquiries from that date for one month, up to 7 p.m. from Mondays to Fridays, and 9 a.m. to 1 p.m. on Saturdays.

Complaints and Compliments

If taxpayers are dissatisfied with the services provided by the Department or their problems cannot be solved satisfactorily through normal channels, the Complaints Officer may be approached for assistance. The complaint channel provides taxpayers with the means of having individual grievances dealt with independently at a senior level. This ensures that such cases are properly handled in a fair and unbiased manner. During 2011-12, 290 complaints cases were received (**Figure 34**). This represents a decrease of 1%, as compared with the previous year.

If taxpayers are dissatisfied with any administrative action taken by the Department, they may refer the matter to the Ombudsman. During 2011-12, the Ombudsman sought written comments from the Department in respect of 23 cases. In the light of these cases, the Department has reviewed relevant operations with a view to improving them.
