

IRD Website

www.ird.gov.hk

The IRD website is a very effective channel for disseminating tax information and providing electronic services to the public. With continuous enrichment and updates, the website enables taxpayers to obtain the most current information about Hong Kong taxation in a fast and convenient manner.

Through the website, members of the public can:

- obtain information on tax law, tax returns, tax obligations and answers to frequently asked questions;
- download IRD software and tax forms;
- use the interactive program to calculate their liability under salaries tax and personal assessment; and
- access to the personalised on-line tax services provided by the Department under eTAX.

To facilitate all sectors of the community to locate the relevant tax information, there are thematic content pages for individuals, businesses, employers, tax representatives, etc.

The IRD website conforms to web accessibility guidelines and has adopted responsive web design, which enables all users to have quick and convenient access to tax information.

Electronic Enquiry Service

Electronic enquiry services are provided to eTAX users at <www.gov.hk/etax>. They can view their tax position in relation to their returns, assessments and payments, etc. at any time.

Enquiry Service Centre

The Department's Enquiry Service Centre handles telephone and counter enquiries. The Centre is equipped with a computer network linked to the Department's Knowledge Database to enable our staff to provide, as far as possible, an immediate "one-stop" service.

Telephone Enquiry Service

The Centre operates an Interactive Telephone Enquiry System (ITES) with 144 telephone lines. Callers can have access on a 24-hour basis to a wide range of tax information by listening to recorded messages. Besides, callers can obtain facsimile copies of information sheets and forms through the system. A “Leave-and-call-back” facility, for recording information requests, and a “Fax-in enquiry” service are also available. The telephones are manned during office hours by staff who would readily serve the callers. The Centre also provides an eTAX help desk hotline to handle enquiries on eTAX services and provide technical support.

The statistics of services provided through ITES during 2018-19 are shown in **Figure 32**.

Tax-help Services for Completion of Tax Returns

On the IRD website, e-Seminars are provided for employers, property owners and individual taxpayers. Information on how to complete tax returns, fulfil tax obligations and overcome difficulties in compliance is uploaded to the website. After reading the information, taxpayers can raise enquiries electronically at the “Q&A Corner”. The Department will reply the questions on a regular basis.

The Department issued 2.6 million Individuals Tax Returns for the year of assessment 2017-18 on 2 May 2018. To assist the taxpaying public in completing tax returns, the Department extended the service hours of telephone enquiry services in May 2018. Service hours from Monday to Friday were extended by one and a half hours till 7:00 pm and additional service was also provided on Saturday from 9:00 am till 1:00 pm. During peak periods, the Department also redeployed manpower resources and employed part-time staff to strengthen daytime telephone enquiry services.

Complaints and Compliments

If taxpayers are dissatisfied with the services provided by the Department or their problems cannot be solved satisfactorily through normal channels, the Complaints Officer may be approached for assistance. The complaint channel provides taxpayers with the means of having individual grievances dealt with independently at a senior level. This ensures that such cases are properly handled in a fair and impartial manner. During 2018-19, 256 complaints cases were received (**Figure 34**). This represents an increase of 0.4%, as compared with the previous year.

If taxpayers are dissatisfied with any administrative action taken by the Department, they may refer the matter to the Ombudsman. During 2018-19, the Ombudsman sought written comments from the Department in respect of 22 cases. In the light of these cases, the Department has reviewed relevant operations with a view to improving them.

Taxpayers may compliment the service of the Department. During the year, 239 Letters of Compliments were received.
