The IRD website has adopted responsive web design, which enables users to have quick and convenient access to tax information.

Electronic Enquiry Service

Electronic enquiry services are provided to eTAX users at <www.gov.hk/etax>. They can view their tax position in relation to their returns, assessments and payments, etc. at any time.

Enquiry Service Office

The Department's Enquiry Service Office (the Office) handles telephone and counter enquiries. The Office is equipped with a computer network linked to the Department's General Enquiry Knowledge Database to enable our staff to provide, as far as possible, an immediate "one-stop" service. To cater for the needs of people of diverse races calling the Department's hotlines or visiting our office, with the consent from the callers, telephone interpretation service in eight languages other than Chinese and English, namely, Bahasa Indonesia, Hindi, Nepali, Punjabi, Tagalog, Thai, Urdu and Vietnamese, can be arranged free of charge with the assistance of a third party service provider.

Telephone Enquiry Service

The Office operates an Interactive Telephone Enquiry System (ITES) with 144 telephone lines. Callers can have access on a 24-hour basis to a wide range of tax information by listening to recorded messages. Besides, callers can obtain facsimile copies of information sheets and forms through the system. A “Leave-and-call-back” facility, for recording information requests, and a “Fax-in enquiry” service are also available. The telephones are manned during office hours by staff who would readily serve the callers. The Office also provides an eTAX help desk hotline to handle enquiries on eTAX services and provide technical support.

Tax-help Services for Completion of Tax Returns

On the IRD website, e-Seminars are provided for employers, property owners and individual taxpayers. Information on how to complete tax returns, fulfil tax obligations and overcome difficulties in compliance is uploaded to the website. After reading the information, taxpayers can raise enquiries electronically at the “Q&A Corner”. The Department will reply to the questions on a regular basis.

The Department issued 2.47 million Tax Returns - Individuals for the year of assessment 2021-22 on 1 June 2022. During peak periods, the Department also redeployed manpower resources and employed part-time staff to strengthen daytime telephone enquiry services.

Complaints and Compliments

If taxpayers are dissatisfied with the services provided by the Department or their problems cannot be solved satisfactorily through normal channels, the Complaints Officer may be approached for assistance. The complaint channel provides taxpayers with the means of having individual grievances dealt with independently at a senior level. This ensures that such cases are properly handled in a fair and impartial manner. During 2022-23, 133 complaints cases were received (**Figure 33**).

If taxpayers are dissatisfied with any administrative action taken by the Department, they may refer the matter to the Ombudsman. During 2022-23, the Ombudsman sought written comments from the Department in respect of 16 cases. In the light of these cases, the Department has reviewed relevant operations with a view to improving them.

Taxpayers may compliment the service of the Department. During the year, 306 Letters of Compliments were received.
