## Message from the Commissioner

I am pleased to report that the Inland Revenue Department has achieved virtually all targets of our performance pledges in the year ended 31 March 2022, despite the continuous impact of the COVID-19 pandemic. Our accomplishment is attributed to the dedicated efforts of our colleagues in serving the public, and the recognition and encouragement of the public regarding our services.

As always, we strive to enhance our services and efficiency and help taxpayers fulfill their tax obligations through the provision of electronic services and application of advanced information technology. By a single login to the eTAX Account, a taxpayer can file tax returns through the Internet, receive e-Alerts concerning return-filing and tax payment due dates, receive electronic receipts after tax payments, and view the tax position in relation to returns, assessments and tax payable at any time. Employers can also file Employer's Annual Returns and Notifications under eTAX through the Internet and use a web-based IR56 Forms Preparation Tool to prepare data files for submission conveniently.

During the year, the Department has launched a number of new electronic services. We have rolled out a real time interactive service, a Chatbot named "Iris", in our website which provides round-the-clock instant service in answering general queries relating to tax on individuals. Employers can also apply for preparation of IR56 Forms in accordance with the Department's specifications by using self-developed software through the Internet. We have also enhanced the online service for applications for duplicate of valid business registration certificates via GovHK. Applicants can download the duplicates instantly after completing the applications online.

The Department will continue to provide effective services to the community and meet the growing expectations of the public. I would also like to thank members of the Users' Committee for their valuable advice and constructive suggestions on our services.

**TAM Tai-pang**

Commissioner of Inland Revenue

## Enquiry Service

### Description of Service

The Enquiry Service Centre is located on the first and second floors of Revenue Tower. It handles general counter and telephone enquiries received through the general enquiry hotline number 187 8088. The Centre also handles enquiries received through the eTAX help desk hotline number 183 2011.

The Centre is equipped with a computer network linked to the Department's Knowledge Database and aims to provide, as far as possible, a "one-stop" service.

For the convenience of callers, the Centre has installed an electronic queuing system, so that taxpayers can be served in the order of their arrival time.

The Centre operates an Interactive Telephone Enquiry System with 144 telephone lines. Callers can have access, on a 24-hour basis, to a wide range of tax information by listening to recorded messages and obtaining facsimile copies of leaflets and forms. Callers can choose to speak to operators during office hours. A "Leave-and-call-back" facility for recording requests and a "Fax-in enquiry" service are also available.

Information leaflets on topics of general interest are available for collection on the first floor of the Revenue Tower. The public may also obtain general tax information and download forms from the Department's website at <[www.ird.gov.hk](http://www.ird.gov.hk)>.

# Returns Processing

## Description of Service

The bulk of the tax return was issued to individuals in May 2021 whereas the bulk of the profits tax return (corporations and partnership businesses) and property tax return (jointly owned properties) was issued in April 2021. Apart from these bulk issues, returns are also issued periodically as and when necessary.

The Department will examine the returns filed by the taxpayers and issue notices of assessment. Cases assessed per return in the first instance may be selected for audit later. # Tax Audit and Investigation

## Description of Service

The Field Audit and Investigation Unit combats tax evasion and avoidance and promotes voluntary compliance through conducting tax audits and investigations on businesses and individuals.

To ascertain the correctness of tax returns filed by businesses, tax audits are conducted through visits to the business premises and the examination of their accounting records. Tax investigation involves in-depth inquiries into the affairs of taxpayers where tax evasion is suspected.

With a view to improving taxpayers' service and increasing transparency in the conduct of field audits and tax investigation, the Department has published its penalty policy. It is available on the Department's website at <[www.ird.gov.hk](http://www.ird.gov.hk)> as well as through our Fax-A-Form service. Where a penalty in the form of additional tax is imposed on a taxpayer, the notice of additional tax assessment shall show the basis for computing the penalty.

# Document Stamping

## Description of Service

Instruments chargeable with stamp duty (e.g. assignments, sale and purchase agreements of landed properties, lease agreements, contract notes and transfer deeds of Hong Kong stock etc.) are examined and assessed by the Stamp Office. Upon payment of stamp duty, the instruments will be stamped and returned to the applicants. Additional processing time is normally required if values of the properties transferred under the instruments have to be ascertained.

Under the Stamp Duty Ordinance, transfers of landed properties and Hong Kong stocks between group companies are exempted from payment of stamp duty. Applications for such exemption have to be made to the Stamp Office by way of statutory declarations. The applicants will be notified of the result of the applications in writing.

A stamp certificate has the same legal status as a stamp imprinted on an instrument. Duty payers can apply for stamp certificates in respect of assignments, sale and purchase agreements of landed properties, lease agreements, contract notes and transfer deeds of Hong Kong stock by using the e-Stamping service under GovHK <[www.gov.hk/estamping](http://www.gov.hk/estamping)>. After payment of stamp duty, duty payers can print the stamp certificates from their own printers.

## Business Registration

### Description of Service

A person carrying on a business is required to apply to the Business Registration Office for the registration of that business within one month of its commencement. All applications for registration must be submitted together with the appropriate business registration fee and levy. On completion of the registration procedures, a valid business registration certificate for the business will be issued.

Under the one-stop company and business registration service, companies are only required to lodge one single application for company and business registration with Companies Registry. An applicant for company incorporation is deemed to have applied for business registration simultaneously, and is no longer required to apply separately to the Business Registration Office for registration. This arrangement is not applicable to application by other types of businesses such as sole proprietorship businesses, partnership businesses, and branch registration.

Any person may, on payment of the prescribed fee, apply for the supply of extracts of information on the Business Register in respect of a specified registered business.

Where there are any changes to the particulars of a registered business, such changes must be reported to the Business Registration Office within one month, whereupon the Business Register will be updated accordingly. Under the one-stop notification service, companies are no longer required to notify the Business Registration Office separately of changes of the following particulars:

#### For local companies

- company name
- registered office address

#### For non-Hong Kong companies

- corporate name
- address of principal place of business in Hong Kong
- name and address of authorized representative

After the notice or return of changes of these company particulars is registered or recorded under the Companies Ordinance, the Companies Registry will transmit such particulars to the Department.

By using the electronic one-stop service at the e-Registry of the Companies Registry, a company which reports a change of registered office address can opt to request the Companies Registry to notify the Department on its behalf that its business address as registered under the Business Registration Ordinance has changed to its new registered office address with effect from the effective date of change as stated in the e-Form NR1. Therefore, the company can amend its registered office address and its business address in one go.

## Tax Education and Information

The Department firmly believes that taxpayer education can help in promoting voluntary compliance by employers and taxpayers. To enable taxpayers to access tax information provided by the Department around the clock, topics of common interest to taxpayers are uploaded to the Department's website at <[www.ird.gov.hk](http://www.ird.gov.hk)>. The information uploaded includes a series of Departmental Interpretation and Practice Notes [DIPNs], Tax Representatives' Corner and e-Seminars. The DIPNs contain the Department's interpretation of certain tax provisions of the Inland Revenue Ordinance and the relevant practices it would adopt. They serve to enhance the public's understanding of both the Department's views and operations. Similarly, Tax Representatives' Corner and e-Seminars provide detailed guidance to tax representatives, employers, property owners and individual taxpayers on how to complete tax returns and fulfill their tax obligations. To assist the taxpayers further, the Department uploads the frequently asked questions (FAQs) for their ready reference.

The Department has also uploaded to the "Taxes & Duties" cluster under the GovHK tax information and articles specially written for taxpayers such as their rights and obligations under the tax law, what income is chargeable / non-chargeable to tax and what allowances / deductions they may claim.

## Electronic Filing of Tax Returns

In line with its customer-oriented service strategy, the Inland Revenue Department continues to enhance its electronic services. Individuals tax returns, profits tax returns, property tax returns and employer's returns can be submitted on-line through the eTAX platform.

### Individuals, profits tax and property tax returns

Currently, the main features of the Internet filing function for individuals tax returns include 'Pre-filling of data', 'Estimation of salaries tax payable', 'Saving of data' and 'Viewing and Printing'. For the 'Pre-filling of data' feature, income details supplied by employers for the year of assessment 2021/22, if applicable, will be pre-filled under "Salaries Tax" of the relevant taxpayers' electronic returns. This will save taxpayers' time in completing the tax returns.

The Department also updated its tax computation function to take into account the tax relief measures proposed in the 2022-23 Budget. Before submitting the individuals tax return through the Internet filing, a taxpayer can calculate the amount of tax payable by him.

The profits tax returns of corporations and partnerships satisfying certain specified conditions can also be filed electronically under eTAX. The e-filing process involves two steps, namely completion and submission of the return. Tax representatives can first complete the profits tax returns for their clients on-line, and then send the electronic records to their clients for checking. The filers, who can be the precedent partners of partnerships or the directors, secretaries or managers of corporations, can then sign and submit the completed returns through their own eTAX Account. The system will issue an instant acknowledgement for each successful submission.

To encourage taxpayers opening eTAX Accounts and filing tax returns on-line, the Department will grant an extension of time to all e-filers for filing their tax returns. E-filers of individuals tax returns will have one-month automatic extension and e-filers of property tax returns, 2-week automatic extension. For profits tax returns, in addition to the normal extension granted according to their accounting date, e-filers or their tax representatives can apply for another 2-week's extra extension.

## Employer's Return

Authorized Signer of Employer's Returns can complete and directly submit the annual Employer's Returns (BIR56A), IR6036B and up to 30 sets of Notifications (i.e. forms IR56B/E/F/G/M) through his / her eTAX account via Online Mode to the Department.

Alternatively, employers can upload or submit a data file containing up to 800 sets of IR56B or IR56F records in XML format generated from the web-based IR56 Forms Preparation Tool, IRD IR56B Software or approved self-developed software via the Mixed Mode or the Online Mode to the Department.

If the IR56B or IR56F data file is submitted via the Mixed Mode, logging in an eTAX account is not required. The employer can designate a person to upload the data file of IR56B (Original / Additional / Replacement / Supplementary) or IR56F (Original / Additional / Replacement) to the Department. The Authorized Signer only needs to sign the paper form BIR56A (if for annual submission) and the paper Control List generated from the system and submit both documents to the Department to complete the submission process.

Fast and easy, intact and secure, e-filing of Employer's Returns via eTAX is also environment friendly.
