

Circular Letter to Tax Representatives

BLOCK EXTENSION SCHEME FOR LODGEMENT OF 2021/22 TAX RETURNS

This circular letter is to advise you of the return lodgement arrangements for the forthcoming year. In this letter, the term “tax representative” refers to a person authorized by a taxpayer to act on his behalf for the purposes of the Inland Revenue Ordinance (Cap. 112) (“the Ordinance”). The authorization must be made in writing and bear the taxpayer’s signature (authorization by e-mail is not acceptable). You must also **include a declaration in any application for extension (including block extension) confirming that you have received such a written authorization from each taxpayer concerned.** Any application made without confirmation of authorization will be rejected and will need to be resubmitted when authorization is obtained. To facilitate the making of an application and declaration, application forms are available for download on the IRD website, in the “Tax Representatives’ Corner” (www.ird.gov.hk/eng/tax/taxrep.htm), under the menu of “Tax Information - Individuals/Businesses”.

2. The Department will periodically post in the “Tax Representatives’ Corner” on the IRD website up-to-date information in relation to the preparation and lodgement of tax returns. A copy of this Block Extension Letter (both Chinese and English) will be posted in the Corner no later than 1 April 2022.

3. The Block Extension Scheme, as in previous years, will be available to tax representatives. Details of this year’s arrangements are set out in the following paragraphs.

(A) PROFITS TAX RETURNS

Bulk Issue - “Active” Files

Issue date

4. The bulk issue of 2021/22 Profits Tax returns to corporations and partnership businesses, the files of which fall within the “active” category in the Department, will take place on **1 April 2022.**

Extended due dates

5. For taxpayers who are represented, the compliance date specified in the notice on page 1 of the 2021/22 Profits Tax return will be extended as follows:

<u>Accounting Date</u>	<u>Extended Due Date</u>
1 April 2021 - 30 November 2021 (Accounting Date Code “N”)	30 June 2022
1 December 2021 - 31 December 2021 (Accounting Date Code “D”)	31 August 2022
1 January 2022 - 31 March 2022 (Accounting Date Code “M”)	15 November 2022

Despite the above extension, you are encouraged to file as many returns as possible well before the extended due dates. (See also paragraphs 14 to 18 for the further extension that may be applicable.)

Notifications in respect of changes in clients

6. All notifications received prior to 1 March 2022 of the details of the taxpayers you represent and their respective accounting date codes have already been updated in the Department’s records. **There is no need for you to apply for a block extension in respect of these taxpayers.** However, please notify the Department in respect of the following:

- (a) new clients for which your firm was appointed as tax representative on or after 1 March 2022;
- (b) cases for which your firm ceased to act as tax representative for 2021/22 final assessment onwards; and
- (c) clients which changed their accounting dates (showing both the old and new accounting dates for each client).

7. The above notifications must be:

- (a) submitted not later than 3 May 2022;
- (b) segregated according to the accounting date codes “N”, “D” and “M”; and
- (c) prepared on separate schedules according to the departmental file number prefixes set out in [Appendix I](#).

8. For any changes as mentioned in paragraph 6 above that occur between 3 May and 30 June 2022, the relevant details should be provided on the same “schedule” basis as described in paragraph 7 above, no later than 2 July 2022. Details of any changes occurring after 30 June 2022 should be advised on an individual taxpayer basis, as and when they arise.

9. To facilitate updating of the Department's computer records, please **provide the business registration number and branch number of your firm** when submitting the above lists to the Department.

Bulk Issue - "Inactive" Files due for Review

10. For "inactive" corporations and partnership businesses (i.e. taxpayers with departmental file number prefix 22 or 95) that are due for review, 2021/22 Profits Tax returns will be issued to them on 4 April 2022. The Block Extension Scheme arrangements mentioned in paragraphs 5 to 9 apply equally to these taxpayers.

11. If any client, with a departmental file falling within the "inactive" category and whose latest postal address has been notified to the Department, does not receive a 2021/22 Profits Tax return, it could be assumed that the client's business is not yet due for review. For such a case, there is no need for you to request the issue of a 2021/22 Profits Tax return nor to submit annual financial statements for the year 2021/22 to the Department. However, see paragraph 24 on the notification of chargeability.

Periodic Issues

12. For those taxpayers who are issued with returns periodically during the year (i.e. returns issued on a date other than 1 April 2022 and 4 April 2022) (namely, periodic issues), including those with departmental file number prefix **22, 23, 95 or 97**, applications for extension must be made under separate schedules as set out in [Appendix I](#). **The applications for extension must be received by the Department within 1 month from the date of issue of the returns.** To assist the Department in processing such applications promptly, please give the respective dates of issue of the returns and the accounting date codes ("N", "D" or "M") of the taxpayers concerned. These applications will be treated on the same basis as extensions granted under the Block Extension Scheme. That is to say, for taxpayers with accounting date codes "N", "D" and "M", it may be assumed that extensions are granted to 30 June 2022, 31 August 2022 and 15 November 2022 respectively.

13. It should be noted that for taxpayers who receive their first Profits Tax returns during the year (i.e. those taxpayers with departmental file number prefix 23 or 97), they may submit their returns within 3 months from the date of issue of the returns. There is no need to submit applications for extension of time in respect of these cases.

Further Extension

Further extension for using electronic filing

14. To promote electronic filing, the Department will grant a further extension of 2 weeks on application **subject to the condition that your client will file the Profits Tax return through the Internet.** The additional extension of 2 weeks will be counted from the date immediately after the extended due date given in paragraph 5 or the normal due date of the return, whichever is the later.

15. This type of applications can be made on separate schedules as set out in [Appendix I](#) showing, for each case, the departmental file number, accounting date code and issue date of the return. The applications must be received by the Department at least 7 working days before the returns are otherwise due for submission.

Further extension for current year loss cases with “M” code accounts

16. It is intended that the lodgement programme should give priority to profit cases. To give tax representatives more time to concentrate on such cases, a further extension to 31 January 2023 will be available for “M” code clients who sustained allowable losses for the year of assessment 2021/22. This further extension can be applied for by providing a list showing the departmental file numbers of the cases. It must be received by the Department NO LATER THAN 1 November 2022. Exceptionally, requests in individual cases may be lodged on or before 15 November 2022. **This further extension will be granted subject to the condition that the Profits Tax return to be lodged shall show an allowable loss.**

17. It should be noted that where a further extension request is made on the ground that a loss case with “M” code accounts is to be filed electronically, the extended due date will be 31 January 2023.

Failure to meet the conditions for the further extension applied for

18. Where a request for the electronic filing extension has been lodged **but subsequently a paper return is filed**, or where a request for the further extension applicable to loss cases with “M” code accounts has been lodged **but assessable profits are reported in the return subsequently filed**, the Department would consider instituting penalty action under section 80 or 82A of the Ordinance if the request for the further extension had been made without reasonable excuse. In such circumstances, the further extension granted would be regarded as void ab initio and the normal extension would apply.

Notifications of Approval to Extension Requests

19. In all cases, it may be assumed that block extension requests are approved unless advice to the contrary is received from the Department. Acknowledgements of receipt of the requests or notifications of approval will not be issued.

Failure to Lodge Returns by the Extended Due Date

20. Where returns are not lodged by the extended due date, estimated assessments will be issued or penalty proceedings instituted. Tax representatives should remind their clients that if they fail to file returns or do not file returns on time without reasonable excuse, they will be exposed to the risk of action being taken under section 80 or 82A of the Ordinance. Taxpayers who have persistently filed late returns are almost certain to face penalty action.

Requests for Extension Beyond the Extended Due Dates

21. As a general rule, a further extension of time beyond that mentioned in the above paragraphs will be granted only in the most exceptional circumstances. Any request for such extension should be made in writing **at least 14 days in advance of the relevant expiration date of the block extension**. An explanation of why lodgement cannot be made in a timely manner, together with supporting evidence, must accompany the application. Tax representatives should not assume that any further extension will be granted. Out of time requests will be refused and telephone requests will not be entertained under any circumstances.

Companies in Liquidation

22. The Block Extension Scheme is not applicable to a corporation in liquidation. In order to ascertain the potential tax liability of such a corporation at an early stage, the Department will not grant any extension of time to file the return unless fully justified otherwise. In the case where an extension of time to file the return has been granted to the corporation under the Block Extension Scheme, the extension will be withdrawn automatically upon the commencement of liquidation. In that eventuality, the return must be filed within one month from the date of notification of the withdrawal of the extension previously granted.

Issue of Returns to Newly Registered Businesses

23. Generally, the Department issues the first Profits Tax return some 18 months after the date of commencement of a new business (or the date of incorporation in the case of a newly incorporated company). However, where circumstances warrant, the Department may issue a Provisional Profits Tax return for completion at an earlier date.

Notification of Chargeability

24. Persons chargeable to tax have an obligation to notify the Commissioner of chargeability to tax within four months after the end of the basis period for the year of assessment concerned. Assessors have been instructed to identify any case where there has been a failure to notify chargeability and to institute penalty action if the taxpayer concerned does not have a reasonable excuse. Where a taxpayer has received Profits Tax returns in prior years, and could reasonably expect that a return would be issued in the current year, there is no need to advise chargeability within the four-month period. However, if a taxpayer has previously been advised that a Profits Tax return will no longer be issued to it annually, or if it is a commencement case, the Commissioner must be notified within the stipulated period. Upon receipt of such advice, the Department will issue a Profits Tax return for completion.

Completion of Returns, Supplementary Forms and Supporting Schedules

25. If returns and supplementary forms are completed with due care, it would obviously enable the Department to make savings in time and manpower. Practitioners would also benefit, as the returns and supplementary forms could be processed more efficiently and this would result in fewer enquiries from Assessors. Therefore, when furnishing returns and supplementary forms, it is important to ensure that all parts/sections/items have been fully and properly completed. Particular attention should be paid to the following:

- (a) the Assessable Profits/Adjusted Loss stated on the return must match that shown in the tax computation and should be the amount applicable for the current year only (any losses brought forward should not be taken into account);
- (b) **all amounts must be expressed in HK dollars** (excluding cents). If the financial statements are prepared in a foreign currency, the amounts should be converted into HK dollars before completion;
- (c) any amount of offshore profits, profits from sale of landed properties in Hong Kong and profits from sale of other capital assets that are excluded from the Assessable Profits or Adjusted Loss must be reported (Items 10.1, 10.3 and 10.4 of BIR51 and BIR52);
- (d) supplementary form(s) attached must be indicated under Part 9 of BIR51 and BIR52. Please also remind your client to take note of the following–

- (i) any required supplementary form is part of the Profits Tax return that has to be downloaded from the IRD website for completion. Your client is required to fill the form electronically, print the filled form for signature, and submit the signed form together with the tax return in paper form;
- (ii) only supplementary forms S1, S2, S3 and S4 are allowed to be submitted in electronic form together with the e-filed Profits Tax return. If your client is required to submit any other supplementary form(s), please file the tax return and ALL required supplementary form(s) in paper form;
- (iii) supplementary form must be signed by the same person signing the tax return.

26. The following new items have been added in the Profits Tax returns this year. If applicable, please provide the required information and data:

- (a) BIR51 (Item 9.6) and BIR52 (Item 9.6): To indicate attachment of supplementary form S15 for taxpayers claiming tax concession in respect of eligible carried interest as provided in Schedule 16D to the Ordinance.
- (b) BIR51 (Part 13) and BIR52 (Part 12): To indicate the engagement of service provider to furnish the tax return for or on behalf of the taxpayer. Please remind your client to complete a “Confirmation for Engagement of Service Provider to Furnish Return” (IR1476) and submit it together with the tax return. Form IR1476 will be available for download on the IRD website no later than 1 April 2022.

27. It is essential that, at the time of lodgement, returns must be accompanied by schedules and explanations in respect of, among others, the following items:

- (a) interest expenses;
- (b) interest claimed to have an offshore source;
- (c) **offshore profits and apportionment of related expenses;**
- (d) fees paid (names and addresses of the recipients; and nature of payments e.g. management, service or consultancy, together with copies of financial statements and Profits Tax computation of the service company, if it is a related company within the terms of Departmental Interpretation & Practice Notes (“DIPN”) No. 24 (Revised));
- (e) sub-contractors’ fees (names and addresses of the recipients; and amounts paid to each);
- (f) legal and professional fees (names of the recipients and nature of services);
- (g) repairs and improvements;
- (h) commission payments;

- (i) bad debt provisions and write-offs;
- (j) leasehold improvements;
- (k) movements in reserves and provisions;
- (l) purchase and sale of capital assets, including properties;
- (m) cost of sales; and
- (n) approved charitable donations.

28. Return and supplementary forms are specified by the Board of Inland Revenue. Returns and supplementary forms not properly completed or not accompanied by the required supporting documents, schedules and information may be regarded as invalid. To facilitate Assessors in the examination and processing of returns and supplementary forms, taxpayers and their representatives are requested to **adopt a reasonable font size** in preparing the financial statements and schedules and to cross-reference items in the supporting schedules with those in the financial statements. Furthermore, the Department appeals to the cooperation of taxpayers and their representatives to observe the format specifications published on the “Tax Representatives’ Corner” in preparing the supporting documents accompanying the returns. The guidelines specify the paper quality, font size, binding and printing format of the supporting documents.

29. To facilitate completion of Profits Tax returns by taxpayers and their representatives, the Department will post the printing templates for Profits Tax Return – Corporations (BIR51) and Profits Tax Return – Persons other than Corporations (BIR52) to the IRD website no later than 1 April 2022. For details, please refer to “Tax Representatives’ Corner” on the IRD website.

30. I take this opportunity to draw your attention to the concession provided in paragraph 19 of DIPN 15 (Revised). Under a contract processing arrangement with a Mainland enterprise, a Hong Kong company may be required to provide machinery or plant for the use of the Mainland enterprise. Where the Hong Kong company is entitled to 50% of the depreciation allowance on the machinery or plant by concession, the claim should be made on the basis of a depreciation allowance and not as a capital expenditure deduction under section 16G of the Ordinance.

31. In order to assist taxpayers and tax representatives to complete tax returns (paper or electronic mode) and supplementary forms fully and accurately, frequently asked questions and their answers concerning the completion of these forms will be updated and put up on the IRD website no later than 1 April 2022.

32. Furthermore, Advance Ruling cases of general interest have been published on the IRD website. You may find these helpful in the preparation of Profits Tax returns.

Personal Assessment

33. Individual partners of a partnership business who wish to elect for Personal Assessment should state their intention in Item 6.2 of the Profits Tax return (BIR52). For sole proprietorship businesses, the election form is incorporated in the Tax Return - Individuals (BIR60), which will be issued on 1 June 2022 or at a later date by the Assistant Commissioner, Unit 2. It should be completed by sole proprietors or individual partners who elect for Personal Assessment.

Financial Statements for Incorporated Businesses

34. For corporations, audited financial statements should be submitted with the returns in all cases except:

- (a) small corporations (as defined in the “Notes and Instructions” to the return);
- (b) dormant companies (within the terms of the Companies Ordinance (Cap. 622)); or
- (c) companies incorporated in a jurisdiction whose laws do not require financial statements to be audited **and** an auditor’s report has not been prepared. For these cases, the financial statements should be accompanied by a certificate from the tax representative along the following lines—

“In accordance with instructions given to us, we have prepared the financial statements set out on pages to for the period ended from the accounting records of XYZ Co Ltd and from information and explanations given to us.

XYZ Co Ltd is incorporated in, the laws of which do not require company financial statements to be audited. Accordingly, we have not audited or otherwise attempted to verify the accuracy or completeness of the financial statements and hence express no opinion thereon.”

35. In dealing with the return of a Hong Kong branch of a foreign company, the Department is generally prepared to accept unaudited branch financial statements without the cover of audited world-wide financial statements provided that, as a minimum requirement, the following information is supplied by the tax representative with the return:

- (a) the place of incorporation of the foreign company;
- (b) whether the laws of that country require a statutory audit of the world-wide financial statements of the company;
- (c) whether an audit has been conducted; and
- (d) a brief summary of the financial and accounting records maintained by the branch in Hong Kong.

In exceptional cases where, following the submission of the return, the Assessor considers that a copy of the audited world-wide financial statements is required, a request for its submission will be made.

36. All telephone enquiries in respect of the Block Extension Scheme – Profits Tax Return should be directed to the Senior Taxation Officer, Document Processing Centre, Headquarters Unit at telephone number 2594 5173.

**(B) RETURNS FOR SALARIES TAX CASES
AND SOLE PROPRIETORSHIP BUSINESS CASES :
TAX RETURN - INDIVIDUALS**

Bulk Issue and Extended Due Dates

37. The bulk issue of 2021/22 Tax Return - Individuals will take place on 1 June 2022. For represented cases not involving sole proprietorship business accounts, a block extension for submission of tax returns will be granted to 2 August 2022. For those involving sole proprietorship business accounts (irrespective of accounting date), extension will be granted to 1 November 2022.

38. There is no need for you to make a block extension application for clients in respect of whom you have notified the Department prior to 11 March 2022. However, for clients whom you have commenced or ceased to represent and in respect of whom notifications have not been given to the Department, please forward the list on or before 2 July 2022. The list of clients should be arranged in order of their file numbers in sequence of the section codes (i.e. 6A1 ... 6B1 ... etc.). The application and the list should be sent to the “Assistant Departmental Secretary, Headquarters Unit” for processing. For notification of new clients, please indicate for each new client whether sole proprietorship business account is involved. In all cases, you may assume that block extension requests are approved unless advice to the contrary is received from the Department.

Requests for Extension Beyond the Extended Due Dates

39. As a general rule, a further extension of time beyond the extended due dates mentioned in the aforesaid paragraphs would be granted only in the most exceptional circumstances. Applications for further extension should be made in writing on a case-by-case basis. Request for further block extension will not be acceded to. If the reasons or exceptional circumstances are the same for employees of a particular company, the request for further extension could be made by way of a list.

Failure to Lodge Returns by the Due Date or the Extended Due Date

40. Where returns are not lodged by the due date or the extended due date, estimated assessments will be issued or penalty proceedings instituted. Tax representatives should remind their clients that if they fail to file returns or do not file returns on time without reasonable excuse, they will be exposed to the risk of action being taken under section 80 or 82A of the Ordinance.

Enquiries

41. All telephone enquiries in respect of the Block Extension Scheme – Tax Return - Individuals (BIR60) should be directed to the Senior Taxation Officer, Document Processing Centre, Headquarters Unit at telephone number 2594 5224.

Employer's Returns

42. The Block Extension Scheme does not apply to Employer's Returns which should be lodged no later than one month after the date of issue of the return. However, having considered that the bulk issue of 2021/22 Tax Return - Individuals will take place on 1 June 2022, the relevant deadline for filing of Employer's Returns is extended to 1 June 2022.
