e-Stamping Circular No. 1/2007
Reprovision of e-Stamping Service under GovHK

This is to announce that the e-Stamping service will be reprovisioned under eTAX at GovHK from 19 January 2008 onwards.

2. Upon the reprovisioning, customers can visit www.gov.hk/estamping and select “e-Stamping of Property Documents” to obtain the e-services.

3. The existing system will continue to provide the service until 18 January 2008. Customers should note that records temporarily saved under the existing system will not be carried forward to the new system. **In other words, any records temporarily saved in the existing system prior to 19 January 2008 will no longer be available in the new system upon the service reprovisioning.** Therefore, where appropriate, customers should submit for e-Stamping on or before 18 January 2008 the records temporarily saved in the existing system. The same “Temporary Saving” function is provided under the new system.

4. For any enquiries, please call us at 2594 3202.
