**e-Stamping Circular No. 1/2009**  
**Enhancements to e-Stamping Service**

To enhance the user friendliness of the e-Stamping service and provide value-added service, the following new features have been introduced to the initial stamping function of the e-Stamping service:

***[Same as Stated Consideration] button***

- A new button [*Same as stated consideration*] has been added to the space below the input field for “Total Consideration”. A click on this button will copy the amount input for “Stated Consideration” to “Total consideration”.

**Payments to Confirmor(s)**

- The input field of “Payments to Confirmor(s)” in the “Confirmor Details Screen” has been renamed as “The Purchase Consideration of this Confirmor Transaction” for reporting the amount of agreed consideration of the confirmor transaction.

**Alert message for submission of agreement for stamping**

- When it is found from the application that the transaction has another agreement for sale subject to stamp duty under Note 3(b) to Head 1(1A) in the First Schedule to the Stamp Duty Ordinance, an alert message will be displayed in the “Confirm and Payment” screen to remind submission of the other agreement for stamping (a sample of the message is in Appendix A to this circular).

2. Form IRSD112(E) has been revised. The revised form is available at the Stamp Office counters or can be downloaded from the Inland Revenue Department’s web site ([www.ird.gov.hk](http://www.ird.gov.hk)). For any enquiries, please call us at 2594 3202.
