

e-Stamping Service - Share Transfer Instrument

What are the features of e-Stamping service?

- An electronic service to stamp instruments without the need to present them to the IRD in person.
- An alternative mode of stamping with a stamp certificate having the same legal status as a conventional stamp.

Who can use e-Stamping Service?

- Holders of a valid digital certificate¹, E-Stamp Account², eTax Account² or an "iAM Smart+" Account.

What are the advantages?

- Service available anytime and anywhere
- Flexible payment methods available
 - Online - credit cards or PPS
 - Offline - all the existing tax payment methods
- Stamp certificate available instantly after online payment
- Saving of time and cost
- Removal of the risk of losing or damaging the original instrument
- Check of authenticity of a stamp certificate on hand online anytime

1. Issued by the Hong Kong Post or Digi-sign Certification Service Ltd.
2. For details or registration of E-Stamp Account and eTax Account, please visit our website www.ird.gov.hk.
