#### **NOTES AND INSTRUCTIONS – SUPPLEMENTARY FORM SP2**

- 1. State the 6-digit industry code of the Hong Kong Standard Industrial Classification (version 2) maintained by the Census and Statistics Department ("C&SD") for the principal business activity. For the index of industry codes, please refer to C&SD's web site (<a href="https://www.censtatd.gov.hk">www.censtatd.gov.hk</a>). If the business has no activity during the basis period, state "000000" as the industry code.
- 2. Type A expenditure is an R&D expenditure other than a Type B expenditure and includes an interim Type A expenditure. For further details, see sections 6 and 8 of Schedule 45 to the Inland Revenue Ordinance (Cap. 112) ("IRO"). The figure in section 1.1 should be equal to the sum of the subtotals in columns 1(c), 1(d), 1(e) and 1(f) in Table 1.
- 3. Type B expenditure is an R&D expenditure falling within any of the following descriptions:
  - (a) a payment to a designated local research institution for a qualifying R&D activity related to your trade, profession or business;
  - (b) a payment to a designated local research institution which has, as an object, the undertaking of a qualifying R&D activity related to the class of trade, profession or business to which your trade, profession or business belongs, where the payment is used for pursing that object;
  - (c) a qualifying expenditure related to your trade, professional or business.

Interim Type B expenditures and payments made to a local institution within 6 months prior to its being designated as a designated local research institution are also included. For further details, see section 10 of Schedule 45 to the IRO.

The figure in section 1.2 should be equal to the sum of the subtotals in columns 1(h), 1(i) and 1(j) in Table 1.

- 4. This supplementary form must be signed by the same person signing the tax return.
- 5. For each project, ONLY ONE R&D category should be selected from the table below. For example, if R&D category is Mathematics, fill in "1.1".

Code	R&D category
