Stamping Procedures and Explanatory Notes

Stamping of Agreements and Assignments

Introduction

With effect from 2 August 2004, the Stamp Office has launched e-Stamping, as an alternative mode of stamping to manual stamping. In addition, duty payers may apply in person at the Stamp Office for stamping specified instruments without presenting the original instruments. Details are set out in the following paragraphs.

Stamping of Agreements and Assignments (Sale and Purchase cases)

2. You may choose one of the following methods to stamp a sale and purchase agreement or assignment:

(A) Application for stamping without presenting original instrument

The following stamping applications can be made electronically or in paper form:-

(i) Initial Stamping of Agreement or Assignment
(ii) Subsequent Agreement or Assignment

(a) Via the Internet

You may stamp an agreement or assignment using the 24 hours e-Stamping Service at GovHK web site (www.gov.hk/estamping). You may download the stamp certificate instantly after online payment. If offline payment mode is chosen, the stamp certificate will be available online the next working day after payment is received by IRD. For details of the scope of the e-Stamping service or further information, please visit IRD web site (www.ird.gov.hk).

(b) In person at the Stamp Office

Application for stamping in paper form can be submitted at Stamp Office Counters. The stamp certificate will be ready for collection 5 working days after receipt of a completed application. The service hours of the Stamp Office Counters are:-

Monday to Friday 8:45 a.m. to 5:00 p.m.
(No services at Counters 22 and 25 during 12:30 p.m. to 1:30 p.m.)
(B) Conventional stamping on original instruments

If you require the imprinting of a conventional stamp on the original instrument, please submit the stamping request at Stamp Office Counter (see preceding paragraph for service hours). You should indicate the choice of conventional stamping on the stamping request form. The stamped instrument will be ready for collection 5 working days after receipt of a completed application.

Stamping or Adjudication of other property transfer instruments

3. Electronic submission is not applicable. Please present the original instruments at the Stamp Office together with the relevant documents.

Forms

4. A number of forms are introduced and they are available at IRD web site (www.ird.gov.hk). You may also collect the forms from the Stamp Office (photocopies can be used). For ease of reference, a summary of the paper forms and documents required for stamping various types of property instruments is at the Appendix.

Instrument Reference Number (IRN)

5. A unique Instrument Reference Number will be allotted to each instrument presented for stamping under the new system. It is the Stamp Office reference number for subsequent stamping and enquiry. Please quote the new IRN (replacing the old SO number) in the Land Registry’s Memorial Form.

Stamp Certificate

6. Stamp Certificates issued by the Collector of Stamp Revenue have the same legal status as conventional stamps on instruments. An instrument is properly stamped with a stamp certificate issued. Online authenticity check of the certificates is available at GovHK web site (www.gov.hk/estamping).
