Note: As the total tax payable under personal assessment (\$60,320) will be less than the total schedular tax (\$78,840), the election for personal assessment is advantageous to the couple.

If no personal assessment is elected, Mr. and Mrs. Ho will each obtain a tax reduction of 12,000 under their respective salaries tax assessments. Mr. Ho will also obtain a tax reduction of 12,000 under his profits tax assessment. The total tax payable will then be 78,840 (8,640 + 6,600 + 6,000 + 57,600). However, by electing for personal assessment, their tax will be 18,520 less despite the fact that they will only obtain a tax reduction of 12,000 instead of 36,000. Their tax bills will be reduced from 78,840 to 60,320.
